CHRIS-TEL CONSTRUCTION HIRES MICHAEL KAYS AS ASSISTANT SUPERINTENDENT/QUALITY CONTROL

Chris-Tel Construction has hired Michael Kays as Assistant Superintendent/Quality Control. Mike comes to Chris-Tel Construction with over fourteen years of experience in the construction industry, specifically in site and civil construction. He has worked on a number of FDOT projects in Southwest Florida and around the state performing testing and inspection services for earthwork, asphalt and concrete and providing quality control functions on the job site. Mike has his MOT Advanced Certification, is a FDOT Certified Concrete Field Inspector, an ACI Concrete Field Technician, and is a Department of Environmental Protection Stormwater Management Inspector. Mike will be working on the Estero Boulevard Improvements project on Fort Myers Beach.

Chris-Tel Construction is a licensed General Contractor and Construction Management firm located in Fort Myers, Florida. They specialize in commercial construction, historic preservation, site/civil construction and renovation and redevelopment. Chris-Tel Construction has been in business serving Southwest Florida since 1989. For more information on Chris-Tel Construction visit www.christelconstruction.com.
