CHRIS-TEL CONSTRUCTION HIRES PROJECT MANAGER

Chris-Tel Construction has hired Randy Leferink as Project Manager for their Special Projects Group. In this role, Randy will be managing vertical projects under \$2 million dollars. His responsibilities will include project administration and estimating, constructability reviews, client coordination, subcontractor contracts and bids, scope evaluation, value engineering, coordination of project documentation and resolution of punch list items. Randy received his Bachelor's of Science degree in Business Administration from the University of Southwestern Louisiana, served in the United States Air Force, holds a General Contractor license from the State of Florida and is a past member of the Lee and Collier BIA Government Affairs Committees.

Chris-Tel Construction is a licensed General Contractor and Construction Management firm located in Fort Myers, Florida specializing in commercial construction, site/civil construction and special projects. The firm, locally owned and operated, has been in business since 1989. For more information on Chris-Tel Construction visit www.christelconstruction.com.
