

At this time, Chris-Tel Construction does not have any open positions to fill. Please feel free to send us your resume by emailing our Manager of Human Resources, *Alba Gonzalez*, directly at agonzalez@christelconstruction.com, or by uploading your resume to our website at the bottom of the “Careers” tab. We will hold on to your resume for a period of six months; should an open position become available that aligns with your experience and skillset, we will reach out to schedule an interview.

We continually add open positions to our website, so please check back frequently.
